Descriptions

Description	EZ-RJ45 CAT6 CONNECTORS 50PC CLAMSHELL
extra long description	PLATINUM 100010C EZ-RJ45 C6 Connect
Features	Combines the performance advantage exclusive to the EZ-RJ45 design with the performance advantage inherent to shielded products to provide an unparalleled solution for the market. In applications where NEXT, FEXT and AXT are an issue, using shielded products can be the solution. This connector is designed to work on both Cat5e and Cat6 cables, solid or stranded.
Long Description	Platinum's RJ45 8-pin/8-position registered jack connector used to connect computers onto Cat6 data networks and is recommended for data applications rated to 1 Gb. It simplifies twisted pair terminations by allowing the wires to be inserted through the connector and out the front. This allows the technician to easily verify the proper wiring order. Electrical performance of the termination is optimized by pulling the connector down over the cable jacket and seating it tightly in the rear of the connector.
Product Type	Ez-RJ45 C6 Connector, 50PCS
Special Features	EZ to verify wiring sequence;FCC and RoHS compliant;Manufactured in the USA;More reliable and higher performance;Patented design.;Reduces scrap by eliminating wasted crimps;Simple one-piece design – bars or liners are not required;Through holes allow pairs to pass through the front of the connector for faster terminations;UL rated;Use in Category 3, 5, 5e or 6 compliant voice and data networks;Works with solid or stranded wire – separate connectors are not required reducing inventory and preventing confusi
