Descriptions

Description	BUTTON B
extra long description	ETN 10250TB64 BUTTON B
Features	Eaton's 10250T line of 30.5 mm pushbuttons features a heavy-duty zinc die cast construction. Reliability nibs improve contact reliability even under dry circuit and fine dust conditions. In addition, drainage holes prevent the buildup of liquid inside the operator, which can prevent operation in freezing environments.
Long Description	Eaton 10250T pushbutton operator button, 10250T series, Non-illuminated Push-Pull Operator Button, Blue actuator, Legend: Blank legend, Standard (40 mm)
