Description	BREAKAWAY STREETLIGHT KIT, IN-LINE NON-FUSED, NEUT
extra long description	IDEAL 20U LV KIT
Features	Buchanan Breakaway Connector Kits are designed for use in highway lighting, area lighting, flood lighting, and power distribution circuits in the wire range of #14 to #2 AWG. The kits install easily in 5 minutes or less using only a knife, wire stripper, and crimp tool – eliminating the need for special equipment, potting, tape, extra crimp inserts, resins, and cure time. The built in "breakaway" design prevents broken wires and the de-energization of a complete circuit when one component, such as a light s
