Catalog Legend

**Energy Star
Certified**

Installing new ENERGY STAR qualified light fixtures is a smart way to save energy and money. Maxim Lighting is proud to be a ENERGY STAR partner. Look for this ENERGY STAR logo to find Maxim Lighting fixtures that use 1/4 of the energy of traditional incandescent fixtures and last up to 10 times longer. More information on ENERGY STAR can be found on the ENERGY STAR web site at energystar.gov.

**California
Title 24**

All new homes, additions, alterations and most commercial buildings in California must meet minimum energy efficiency standards contained in Title 24, Part 6 of the California Code of Regulations. When you see the California Title 24 symbol next to a Maxim Lighting fixtures, you can be assured that the fixtures complies. More information on California Title 24 can be found on the California Energy Commission web site at energy.ca.gov/title24.
