Arlington's NEWEST Siding Block...

for 1/4" and 5/16" Siding or Shingles

#8131

Arlington's 8131 Siding Mounting Block is a UL listed electrical box designed to support light fixtures; up to 10 lbs. on 1/4" and 5/16" siding.

The 8131 Siding Block is perfect for a variety of siding materials.

8131 fits 1/4" and 5/16"...

- Cedar, vinyl or wood shingles
- Cementitious or wood composite siding and shingles

It's UV resistant, non-metallic and paintable – and comes with mounting screws and an NM cable connector.
