Description	3PH/CH LOADCNTR 225A MLO 24 CIR. CU BUS NEMA 1
extra long description	ETN CH24L3225D 3Ph/CH LC 225A MLO 2
Features	Eaton's CH 3/4-inch loadcenters enclose CH circuit breakers for power distribution and circuit protection in residential and light commercial applications. Also called a breaker box, electrical bo or even a fuse box, the main function is to take electricity supplied by the utility and distribute it throughout the home to feed lights and receptacles. Covers are typically packaged separately and available as surface or flush mount.
