Descriptions

Description	CH PON SURFACE COVER FOR 150A OR GREATER CONVERTIB
extra long description	ETN CHPX7NS CH PON SURFACE CVR FOR
Features	Eaton's CH 3/4-inch loadcenters enclose CH circuit breakers for power distribution and circuit protection in residential and light commercial applications. Also called a breaker box, electrical box or even a fuse box, the main function is to take electricity supplied by the utility and distribute it throughout the home to feed lights and receptacles. Covers are typically packaged separately and available as surface or flush mount.
