

# Skylark Contour LED+ Slide to Off Dimmer

Slide to off

Single pole only

## Skylark Contour LED+ Slide to Off Dimmer

CTCL-150H, \$30.80 List (For available colors, see below)

## First slide to off product in the LED+ family (formerly C•L)

### Product highlights:

1. Load ratings:
  - 150W of LED/CFL
  - 600W of incandescent/halogen
2. Patented LED+ technology
  - Works with all home/building wiring —  
No neutral or special wire temperatures required
  - Simplest, most intuitive low-end adjustment —  
No flipping breakers or removing buttons
  - Dims LEDs beautifully with patented “constant gate drive technology” —  
No dimmer interaction while minimizing flicker, shimmer, pop-on, or drop-out
3. Available in White, Ivory, and Light Almond

### Did you know? Our LED+ dimmers:

- Don't require a neutral or special wire temperature rating
- Take the hassle out of low-end adjustments
- Use patented technology to prevent dimmer interaction and minimize flicker, for beautiful LED dimming
