New 9" High-Leverage Pliers vs. Standard 8" Pliers

**67%**  
more cutting power

**D**esigned and built to exceptional quality standards in a tradition spanning close to 160 years, Klein's latest pair of 9" High-Leverage Diagonal-Cutting Pliers feature an angled head, heavy-duty cutting knives and an extra inch of handle to provide additional leverage, reach and comfort on the job.

*Who knew an extra inch could make your job easier?*  
Pick up this Klein tool and feel the difference.

Induction-hardened cutting knives outlast other cutters

Heavier, forged steel construction for added durability

Hot riveted joint ensures smooth action with no handle wobble

Plastic-dipped handles for comfort and ease of identification

High-leverage design and extra-long handles provide 67% more cutting power

Angled head makes it easier to work in confined spaces

Custom, US-made tool steel
