Descriptions

Description	120V PHOTOCELL
extra long description	CRS-H D2S20 PCELL IN DS COVER 120V5
Features	Designed for use with Crouse-Hinds series Champ HID and fluorescent light fixtures, V2PC photocells are factory sealed, field installed devices that offer reliable, dusk-to-dawn lighting control in Class I, Division 2 locations. V2PC photocells provide automatic control of outdoor lights in critical passageways at night, and they save energy by operating light fixtures only when necessary. They are ideal for walkways, parking areas, outdoor process areas, security lighting or any outdoor lighting applica
