| Description | COLD SHRINK END CAP EC-4, USE RANGE OF 1.79-3.32" |
| extra long description | 3M 7100017443 3M™ Cold Shrink End C |
| Features | 3M™ EC Cold Shrink End Cap accommodates cables, pipes and other cylindrical objects of a wide range of sizes. It offers good resistance to abrasion, water, fungus, acids, alkalis and ozone to ensure long lasting usage. The cap is factory expanded and loaded onto a removable core. It provides a reliable moisture seal once the core is removed, and it is positioned over the end of a cable or other cylindrical object. |
