Descriptions

Description	36W LED LUMNR
extra long description	CRS-H EVLEDC701 LED LUMINAIRE EX LU
Features	The EV LED from Eaton's Crouse-Hinds Division is a Class I, Division 1 factory sealed LED light fixture for general illumination. The EV LED is built to perform effectively and economically in areas that may be difficult to service, expensive to shut down or any location requiring an increased degree of safety. Compared with conventional lighting, the EV LED consumes up to 85% less energy and typically lasts as long as 50,000 hours or more. The EV LED is available in two lumen output models, offering a
