Descriptions

| | |
|------------------------|---|
| Description | 3" ALU LBD BODY |
| extra long description | CRS-H LBD8800 SA 3 AL MOGUL OUTLET |
| Features | Crouse-Hinds series mogul bodies are installed in conduit systems to act as pull outlets for conductors that are stiff due to large size or type of insulation. Mogul bodies provide longer openings needed when pulling large conductors and prevent sharp bends and kinks during installation. Mogul conduit bodies are manufactured in trade sizes 1/2" to 6" and are available in Feraloy iron alloy and copper-free aluminum. Our iron alloy bodies are available with a hot dip galvanized finish for added corrosion |
| Long Description | Eaton Crouse-Hinds series Condulet LBD mogul conduit body, Copper-free aluminum, 3" |
| Product Type | 3 Al Mogul Outlet Body 90 Deg |
