Eaton's Wi-Fi smart home devices

Smart Lifestyle. Smart Solutions.

EATON

Powering Business Worldwide

Designed for your Lifestyle

Eaton's Wi-Fi smart home devices are designed to fit your lifestyle. Whether you want to add convenience, enhance security, or increase energy savings, Eaton helps make your home simply smart. Our Eaton Brightlayer Home App offers a convenient way to easily program and control your home's lights, appliances and ceiling fans, with the flexibility of individual room control to controlling the entire home.

Keeping homes smarter, safer and more energy efficient

Wi-Fi Smart Dimmers & Accessory Dimmer

Set the Mood. Dim your lights or turn light ON/OFF for a romantic dinner or movie night, or simply to save energy.

Dimmer:
EWFD30 [pg. 4](#)

Accessory Dimmer:
EWACD [pg. 5](#)

Wi-Fi Smart Switch

Designed for Convenience. Turn lights ON/OFF conveniently through our Brightlayer Home mobile app to fit your daily routine from anywhere in the world.

Switch:
EWFSW15 [pg. 6](#)

Wi-Fi Smart Duplex Receptacle

Schedule for Success. Plug-in your coffeemaker to turn on before you get up or turn on your slow cooker at a convenient time from anywhere.

Receptacle:
EWFTRCR15 [pg. 7](#)

Wi-Fi Smart Fan Speed Control

Cool Off. Turn your ceiling fan ON/OFF or set the speed without leaving the couch or from another room, adding comfort and convenience.

Fan Speed Control:
EWFVSC15 [pg. 8](#)

Wi-Fi Smart Outdoor Duplex Receptacle*

Sunrise and Sunset. Conveniently schedule your outdoor products such as your Christmas and landscape lights, or outdoor fountains to turn ON/OFF automatically, saving money.

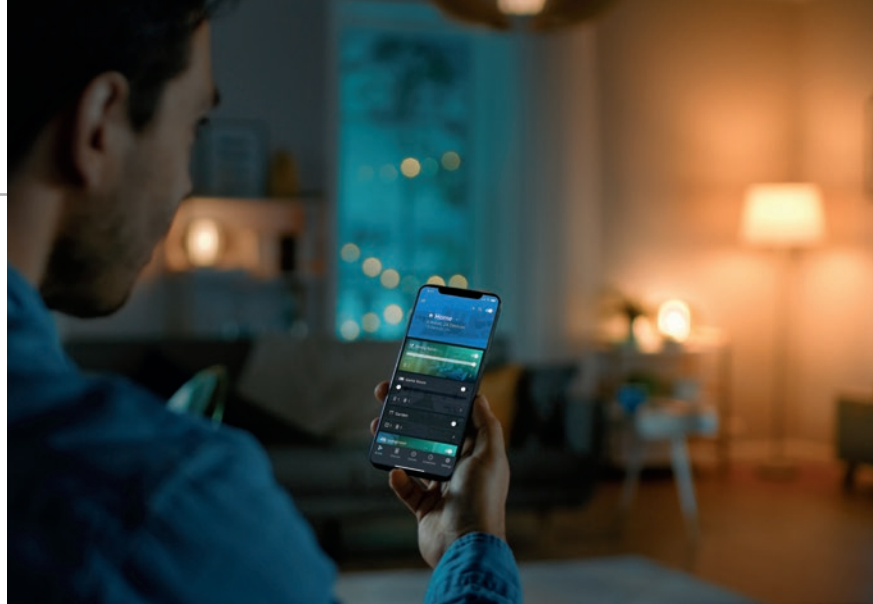

Outdoor Receptacle:
EWFVRCR15 [pg. 9](#)

*Install with weatherproof cover (sold separately)

Wi-Fi smart devices

Eaton's broad selection of Wi-Fi smart devices offer reliability with unbeatable ease of setup. Every device sets up quickly and easily with the free Eaton Brightlayer Home App—no hubs or controllers are necessary. You can even add voice control integration using Google Home or Amazon Alexa.

- No hub required**
Quickly and easily set up a wide variety of smart home lighting-control devices without hubs or controllers
- Simple setup**
Setting up the Eaton smart home devices are no sweat with the Eaton Brightlayer Home App!
- Control from anywhere**
Home or away, control your home from anywhere in the world
- Easy installation**
LED indicator lights confirm proper and successful installation and works with most light bulbs
- Personalization**
Set different scenes, dim, turn ON/OFF and set schedules to fit your daily activities
- Automatic updates**
Ensure you have the latest features and peak device performance through our automatic over-the-air updates
- Easy integration**
Easily integrates with Amazon Alexa or Google Home for voice control
- Energy savings**
Group, dim, and schedule a room or entire home, cutting back on wasted energy and saving money
- Boost security**
Schedule your indoor and outdoor lighting to automatically turn ON/OFF when you are home or away

Set-up your devices in 3 easy steps!

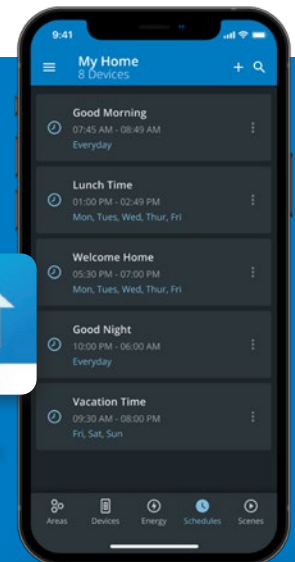

No hubs or controllers required

- 1 Install your Wi-Fi Smart Devices
- 2 Download the Eaton Brightlayer Home App
 
- 3 Add your device to the app

*Accessory dimmer is controlled using Wi-Fi Smart Dimmer in app

Compliances, specifications and availability are subject to change without notice.

A person is sitting on a grey armchair in a bright room. A large window is in the background, and a potted plant is on a windowsill. The person is wearing a white t-shirt and blue jeans. The scene is well-lit, suggesting a sunny day.

Eaton, the name you can **trust.**

From loadcenters and breakers, to light switches and electrical receptacles, Eaton has been your reliable source to **safely** deliver, connect and control electricity needed to power your home. As today's homes become increasingly **connected and automated**, we are focused on smart solutions, such as our electric vehicle chargers, smart breakers and Wi-Fi smart home lighting controls. Smart technology not only aids **energy efficiency** and management efforts but can also add **convenience** for your busy lifestyle.

Create a smarter
home with Eaton.

We make what matters work.*

* At Eaton, we believe that power is a fundamental part of just about everything people do. Technology, transportation, energy and infrastructure-these are things the world relies on every day. That's why Eaton is dedicated to helping our customers find new ways to manage electrical, hydraulic and mechanical power more efficiently, safely and sustainably. To improve people's lives, the communities where we live and work, and the planet our future generations depend upon. Because that's what really matters. And we're here to make sure it works.
