Descriptions

Description	GRN WNGD WIRE CONN 100PC JAR
extra long description	NSI WWC-GR-SJ Easy-Twist Winged Yel
Features	Connecting wires is faster and easier than ever with the professional performance features of Easy-Twist wire connectors from NSI. These connectors feature a specialized design to install in half the time of a typical wire connector, saving you time and energy. The GR line includes a hole in the top of the connector for a through wire, for use in grounding applications. The conical screw shape grips in fewer twists and the outside of the connector is textured with easy-grip ribs for comfortable twisting. T
